To all participants, families and friends of
Elbemasters 2020

Elbemasters Corona virus information, dated: 19.4.2020

Dear participants,

in March we were still full of hope that we would be able to play this year's tournament. Unfortunately we have to inform you today that we must cancel the Elbemasters 2020 because of the ongoing COVID-19 crisis.

Even though there are slightly positive indicators here in Germany, large events are still prohibited. Also the requirements to keep at least 1.5 m distance between persons is not compatible with the spirit and the necessities of a handball tournament.

In addition, we cannot be sure that you as our foreign guests would be allowed to travel to us for this event at all.

For this reason we have sadly decided to postpone our 20th tournament anniversary to 2021. We sincerely hope you understand our decision under the given circumstances. Your health and ours is just more important. We really hope to welcome you for the "wir leben" Elbemasters 2021 in Winsen again.

We are planning on opening the registration for 2021 earlier than usual this year – hopefully as early as this summer.

We will transfer the downpayment we received from you, back to you within the next few days.

Please stay healthy during these difficult times, and we hope that you will soon be able to enjoy our sport again.

Best regards from Winsen
